Supporting Electrical Professionals Throughout the South-Central U.S. – AL, AR, LA, MS & TN

	<p><b>Toshiba UPS Systems (Houston, TX)</b> - <a href="http://www.toshibaups.com">http://www.toshibaups.com</a>. True On-line single and three phase static UPS' from 1 – 12,000kVA. Industrial UPS'- NEMA3R outdoor unit and 480V 3 phase input / 120V 1 phase output.</p>
	<p><b>Thomson Power Systems</b> - <a href="https://www.thomsonps.com/">https://www.thomsonps.com/</a> Low and medium voltage Automatic Transfer Switches, Configurable Paralleling Switchgear, Load Banks and Quick Connect Panels.</p>
	<p><b>E+I Engineering Group (Anderson, SC)</b> - <a href="https://www.e-i-eng.com/">https://www.e-i-eng.com/</a> Overhead power distribution, UL Listed, LV and MV open channel busway and in-house low voltage switchgear</p>
	<p><b>HITEC Power Protection</b> - <a href="https://hitec-ups.com/">https://hitec-ups.com/</a> The original inventors of Dynamic UPS Systems, HiTec Power Protection manufacturers industry best Diesel Rotary Uninterruptible Power Systems.</p>
	<p><b>Trystar (Faribault, MN)</b> - <a href="http://www.trystar.com/">http://www.trystar.com/</a> Top of the line, market leaders and innovators of Generator Docking Stations. All products are tested by 3rd Party laboratories including Intertek (ETL), UL, and CSA.</p>
	<p><b>SCiB</b> - <a href="https://www.toshiba.com/tic/power-electronics/scib-rechargeable-battery">https://www.toshiba.com/tic/power-electronics/scib-rechargeable-battery</a> Lithium Ion (Lithium Titanate Oxide) Super Charged Ion <u>Battery Energy Storage</u> for UPS Applications.</p>
	<p><b>Power Quality International</b> - <a href="http://www.powerqualityinternational.com/">http://www.powerqualityinternational.com/</a> Standard Dry Type, Ultra-Efficient and Harmonic Mitigating Transformers from 15kVA – 15MVA, up to 72kV.</p>
	<p><b>PQ Protection</b> - <a href="http://www.pqprotection.com/">http://www.pqprotection.com/</a> PQ Protection is an exceptional line of surge protection devices, with industry leading technology and performance, tested and listed by UL to the current industry standards.</p>
	<p><b>BTech Battery Monitoring</b> - <a href="http://www.btechinc.com/">http://www.btechinc.com/</a> World's leader in battery monitoring.</p>
